

WA Driver's Licence

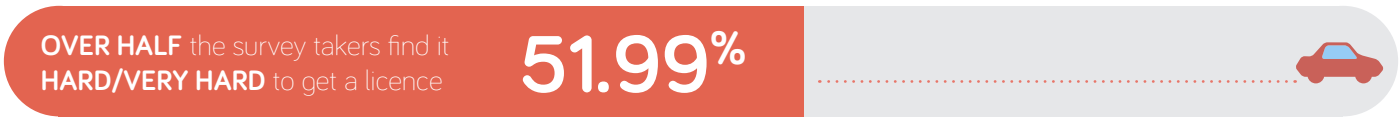

Survey Results 2016

What are the thoughts, challenges and suggestions of young people obtaining their licence?

1105
survey respondents

TRENDS

(*percentages indicate how many in that age group find it hard/very hard).

POLICY

CHALLENGES

COST

ALMOST 75% in the age group **18-25** found the process unaffordable.

'It is too expensive to obtain, it is almost as though it is a prestigious thing that only well off people can get.'

TIME

The licence process can take **UPTO ONE YEAR.**

'It is a very long process which can be daunting..'

EMPLOYMENT

OVER HALF 50.52% of those surveyed said that not getting a licence affected their job/potential job applications.

'I had to defer my university course because I didn't have a licence to drive from the country'

What do young people want?

- REDUCE COST**
- REDUCE HOURS**
- REMOVE WAITING PERIOD AFTER PRACTICAL DRIVING ASSESSMENT**
- DRIVER EDUCATION IN HIGH SCHOOL**
