

CUTTING THE THREAD

Tips for making your textiles last longer and slowing down on fast fashion!

How can I make my textiles last longer?

Use it again & again

If you are buying something new, think about how many times and the different ways you can use it to make sure that it lasts you a long time.

Care for better wear

Washing and drying your textiles properly keeps them in better condition for longer. Make sure to check the care tag on your textiles to see how you can look after them to last!

What should I consider before buying new?

Borrow before you buy

If you need something that you will only use once, see if you can borrow it from a friend or neighbour to help save you money!

Out with the new, in with the old

See if you can get what you need second-hand, or host a clothes swap party with your friends to make it more fun!

Take stock of what you have

Is there a great sweater in the back of your closet that you can bring out? See what you have already before buying new to save you money.
