**ACKNOWLEDGEMENT OF COUNTRY**

The Youth Affairs Council of WA acknowledges Aboriginal and Torres Strait Islander peoples as the traditional custodians of the lands, waterways and plains on which we live, work and play on. We extend our respect to Elders, both from the past and those who guide us today, and we embrace this connection with all young Aboriginal and Torres Strait Islander people who we work alongside of.

**Always was, always will be, Aboriginal land.**

## ABOUT YACWA

**The Youth Affairs Council of Western Australia (YACWA) is the peak non-government youth organisation in Western Australia.** We are a bold, trusted, go-to advocacy and systems shaping body for young people, the sector and communities that support them. We operate primarily as a human rights organisation that seeks to address the exclusion of young people in a rapidly changing society. Our work is guided by the values of inclusivity, courage, curiosity and connection. Our vision is that all young people are respected, valued and enabled to shape the world they live in.

## ABOUT FAIRGROUND

FairGround is a dynamic, two-day conference designed to foster connection, conversation and education within the youth sector.

It offers a rare opportunity for attendees to step away from their day-to-day roles and immerse themselves in an engaging program featuring thought-provoking keynote speakers, workshops and presentations. Every session is designed to spark meaningful conversations, fresh insights and practical solutions.

As a cornerstone of our work at YACWA, FairGround fosters collaboration across diverse contexts, creating a unique space for youth sector professionals to tackle the big questions and work towards system-wide improvements for young people in Western Australia. Participants leave equipped with new knowledge, perspective and a renewed sense of purpose to take back to their work and communities.
